PROFESSIONAL SUMMARY

Data Science and AI graduate student at BITS Pilani (GPA: 9.69/10) with a strong foundation in machine learning, statistical modeling, and data analysis. Experienced in end-to-end ML project development including feature engineering, model training, and validation. Skilled in Python, SQL, and Microsoft Excel. Demonstrated leadership in managing large-scale events and cross-functional teams.

EDUCATION

M.Sc. in Data Science and Artificial Intelligence *Sep 2025 – Present*

BITS Pilani (Birla Institute of Technology and Science)

- First Trimester GPA: 9.69 / 10.0
- Coursework: Machine Learning, Artificial Intelligence, Statistical Inference, Data Engineering

B.Sc. (Hons.) in Mathematical Sciences *2021 – 2024*

Deen Dayal Upadhyaya College, University of Delhi

- CGPA: 7.132 / 10.0
- Core subjects: Calculus, Linear Algebra, Probability & Statistics, Operations Research

Senior Secondary (Class 12) – CBSE | Commerce with Mathematics *2021*

NK Bagrodia Public School, Delhi

- Percentage: 94%

TECHNICAL SKILLS

Programming Languages: Python, SQL

Machine Learning: Supervised & Unsupervised Learning, Cross-Validation, Regression, Classification, Time-Series Forecasting

Libraries & Frameworks: Pandas, NumPy, Scikit-learn, Matplotlib, Seaborn

Data & Tools: Microsoft Excel (Advanced), Google Colab, Jupyter Notebook

Soft Skills: Leadership, Event Management, Team Coordination, Budget Planning

PROJECTS

Apple Stock Price Prediction using Machine Learning

BITS Pilani – M.Sc. Data Science & AI (APEX Project)

- Developed an end-to-end time series forecasting pipeline using 17 years of Apple (AAPL) stock data.
- Performed exploratory data analysis, feature engineering, and implemented SARIMA and Random Forest models for comparative analysis.
- Collaborated on an LSTM-based forecasting model using 60-day sequential windows, achieving:
 - R^2 Score: 0.96

- Technologies used: Python, Pandas, NumPy, Scikit-learn, Matplotlib.

GitHub: github.com/aadi3731/apple-stock-prediction

LEADERSHIP & EXTRA-CURRICULAR ACTIVITIES

President – Operational Research Department 2023 – 2024

Deen Dayal Upadhyaya College, University of Delhi

- Led departmental operations as President, overseeing academic and co-curricular activities for 200+ students.
- Organized a successful educational trip to Himachal Pradesh for 50 students, managing end-to-end logistics and budgeting.
- Spearheaded a two-day departmental fest with high student participation and engagement.
- Executed 3 one-day academic and cultural events, coordinating cross-functional teams and resource allocation.

Student Coordinator – SPIC MACAY Cultural Society 2021 – 2022

Deen Dayal Upadhyaya College, University of Delhi

- Assisted in planning and organizing classical music and cultural events under the SPIC MACAY banner.
- Managed guest coordination and ensured smooth execution of events on the day.
- Supported team logistics and on-ground operations for multiple cultural programs.
